The PAG says termination + 18 months, so I guess that's the decision.

Standing by to hear, but sounds like it could be termination plus 18 months. Heard you have to call [redacted] too. I'm going to shut down for the night soon.

Sounds good! I'll be in touch as I get updates from OPA on timing.

[redacted] since I think you are 5 hours earlier that makes sense. I can call in from home and everyone else can get on with their life. ☺

DHS just confirmed. We will not be dialing into a call at 5:45. For now we are on stand-by until they send out a new invite. It's very possible the background media call could slip until 8 p.m. or so tonight. If that's the case, Don, I am happy to staff you over the phone.

FYI Folks – AS1 still hasn't signed the memo. If that doesn't happen in the next hour, the timing of the call will likely slip. I've attached an e-mail chain between DHS and the NSC, etc, on this topic. I don't want to unnecessarily clog your inboxes but am happy to add folks to the other chain, if desired.

Apparently that's when we learn as well. (Or at least me.). I've not seen or heard anything yet.

Is this the call where DHS OPA tells the media what the Haiti TPS decision is? (b)(6)
