Subject: [INFORMATION REQUEST] TPS for Haiti Memo (1142551)
Importance: High

Good afternoon OP&S,

DHS ESEC has requested USCIS provide a memo in regards to the Notice for the termination of TPS for Haiti. The following questions asked by S1 should be included in the memo;

- (1) How many current Haitian TPS folks were illegal pre-TPS designation?
- (2) Since designation, how many have committed crimes?
- (3) Since designation, how many are on public assistance? Out of work?
- (4) Can we describe what has changed in Haiti warranting the recommended change (this may be in the memo but I have not seen it yet)- would include if verified items such as rebuild of palace, build of army, change in UN list, 4-5% growth in GDP
