Hi Jess and Todd,

So I just got off a call with OGC. Apparently, the meeting was canceled and should have never been called by DHS ESEC because they misunderstood concerns that Gene H. raised on TPS in general, and automatic EAD extensions to mean "non-concur." I understand that Jennifer Higgins is running this through the DHS COS and plans to get back in touch with OGC tonight on final determination. I will keep you posted.

I'm copying Al Danzy from RCD in case we don't get the final clearance from DHS before I leave tonight so that he can obtain the signed-version tomorrow morning (I will be out of the office tomorrow morning).

Thanks,
Sam

I can't think of any obvious link to parole.

Lori asked if this has anything to do with parole?

Thank you,

Hi Kathryn:

Adding Sam because she has the latest from OGC on the meeting. I think it is about the extension for El Salvadoran TPS. We got the go-ahead from the department to have Lori sign, and then they cancelled that request and asked for a meeting. Sam spoke with OGC and it appears that the Department's concerns are mostly operational. OGC is aware that the notice does not change anything substantive and is only extending the eads.

Lori still plans to go, am adding Jocelyn in case there are any schedule changes.

Sam - please add anything that I forgot.

Thanks,

Jess

Jess/Todd/Toni,

We just received this request for a briefing memo for a meeting AS2 has called tomorrow on TPS for El Salvador. I see Lori is on the invite list. Do you have any more details about this meeting and its purpose? We're guessing it's about the Federal Register Notice to extend EADs for current Salvadoran beneficiaries that's pending review by HQ, so we'll draft the BM along those lines unless you hear otherwise. Is Lori planning to attend tomorrow? Thanks for any insight you can provide!

Kathryn

Good evening OP&S,

Apologies for the short notice, but the acting Deputy Secretary has called a meeting regarding El Salvador TPS for tomorrow afternoon.

Please draft a Briefing Memo regarding the subject and return to EXSO as soon as possible, but no later than 10:00 AM, tomorrow. Please use the template attached.

RAIO, please provide the latest update on El Salvadoran country conditions by the same time.

OCC, please be prepared to review and clear materials on a highly expedited basis. If we receive materials as noted above, you will have approximately one hour to review. Please note that the Director's Office will also need to review as well as OGC, MGMT, I&A, and PLCY.

Thank you,
Bill
